# GREETINGS!

Dear Friends,

Last year was nothing short of incredible. We witnessed explosive growth—more families served, more lives transformed, and more opportunities to be the hands and feet of Jesus than ever before. And it hasn't stopped.

At Love INC, it seems we are running to keep up with what God is doing. The Lord is building something here, and we are simply stewarding the people, programs, resources, and products He has entrusted to us. But before we run ahead, we want to first seek His face, hear His voice, and have His heart.

For the third year in a row, we broke records in New Hope Program enrollment; in fact, we reached new heights in every area of ministry. At the Gala last fall, we witnessed God's astonishing work as He showed up and showed off. Through a matching grant and an outpouring of generosity, we raised \$265,000 toward the next buildings at the New Hope Community!

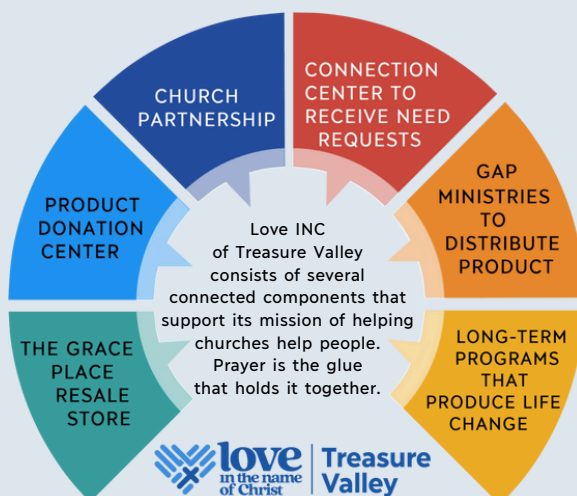

But with this kind of growth comes a clear need: we need more volunteers. More hands, more hearts, more people willing to step into the work God is doing. The harvest is plentiful—will you help us gather?

As we continue to grow, we pray the Lord would show us how to love, how to serve, and how to bring His heart to this time and space. Let's keep building, together.

*Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, forever and ever! Amen. - Ephesians 3:20-21*

Because of Jesus,  
Tracy Wilson, Executive Director

## WHO WE ARE

Love INC of Treasure Valley exists to connect local churches with people in need, helping transform lives through practical support, relationships, and Christ's love. We believe in a hand up, not a handout, empowering individuals to participate in their own journey toward stability and hope.

As part of a national movement, we unite churches, volunteers, and community partners to be the hands and feet of Christ, offering help that leads to lasting change. Together, we're bringing a little bit of heaven to earth—one life at a time.

# LOOKING AHEAD

God is moving beyond what we could ask or imagine, and we are stepping forward in faith to keep up with Him! Three key areas of ministry continue to grow, and every step we take is about stewarding what He has entrusted to us.

## The Grace Place & Donation Center

### *Expanding Capacity, Maximizing Impact*

Our Product Team is bringing fresh energy to how we steward donations. With generous funding from Grace Bible Church, we're remodeling our Donation Center for better efficiency and exploring additional truck and trailer support. Every donation fuels restoration, and as we grow, we're committed to serving even more families in need.

## New Hope Program

### *A Growing Movement of Transformation*

For the third year in a row, more families than ever are joining the New Hope Program. Every room at Crossroads Church is filled on Thursday nights with life-changing classes, mentorship, and childcare, creating a powerful picture of the unified Body of Christ as volunteers from multiple churches and denominations serve together. As the need grows, we're praying for more volunteers to step in. Meanwhile, our team is refining key aspects of the program to serve families even more effectively.

## New Hope Community

### *Nearing the Goal, Preparing to Build*

Last year's Gala brought us closer to funding the next phase of the New Hope Community, two more fourplexes! Behind the scenes, we're preparing floor plans while also celebrating milestones—two families recently graduated and moved out of the Community, stepping into independence and stability.
