IDEAS AND SUGGESTIONS ON HOW TO PARTICIPATE:

- Individuals and Families: Have your children be involved in the shopping and picking out the item(s). Have them mark off or add a sticker to the calendar when they're finished.
- Small Groups, Work Groups, Sunday School Classes: Give them a calendar of their own to complete or have people choose what items they'll bring. Cut the calendar into daily squares and have people draw what items they will bring.
- Large Groups or Church Congregations: Decorate a Christmas tree with the items from the calendar so people can choose which item(s) they would like to bring.
